

Sands' Challenger for Gould's Title

SANDS EARNS RIGHT TO PLAY FOR TITLE

Will Meet Gould in Challenge Round as Result of Victory Over Russell in Final.

MATCH GOES FOUR SETS

Bostonian Plays Speedy Court Tennis in Third, but Loses Others.

Charles E. Sands of the New York Racquet and Tennis Club earned the right to play Jay Gould of the Philadelphia Racquet Club, open court champion of the world, in the challenge round for the United States title by defeating Charles T. Russell of the Boston Tennis and Racquet Club in the final round of the national tournament at the New York Racquet and Tennis Club yesterday. The New Yorker won three sets out of four, with the scores at 6-2, 4-6, 6-1, 6-3, by reason of his better generalship and steadiness.

This will not be the first appearance of Sands in a titular match, for in 1905 he won the championship from Joshua Crane. Sands was defeated the following year by Jay Gould in the challenge round match, and the latter has held the title ever since.

Russell showed that he is a player of no mean ability and gives great promise of becoming a hard man to beat. All he needs is a little more confidence in the first set, and he would have played some very good tennis and showed an improvement over the form that he had displayed in the earlier rounds.

Final Round, National Court Tennis Championship—Charles E. Sands, New York Racquet and Tennis Club, defeated Charles T. Russell, Boston Tennis and Racquet Club, 6-2, 4-6, 6-1, 6-3. The point score:

FIRST SET

TENNIS TRIALS AT MONTREAL

Canadian Association Will Select Team for Davis Cup.

The executive committee of the Canadian Lawn Tennis Association has decided to hold the preliminaries and finals in the trials for the Canadian Davis cup team at Montreal. For this reason the provincial championships probably will be held earlier than usual in order to leave the slate clear for the trials. The preliminaries will bring together the cream of the Eastern provinces and the best of the Western talent will get to Montreal for the finals.

Whether or not the Davis cup itself, in which the Canadian team meets Australasia, will be played in a Canadian city has not yet been decided, but in view of the fact that the Australasian Tennis Association has already requested that all their matches be played in the United States it is more than likely that the Canadian selection will come across the border to meet the antipodeans.

CLINTON CANT LOSE TITLE

But Boys High Can Earn a Tie if It Wins Week From Today.

De Witt Clinton, winner of the championship this year in the Manhattan City School Chess League, established a lead of one point over Brooklyn Boys High School, Brooklyn League champion, in the second round of the annual interborough contest for possession of the Rice trophy at the Chess Club yesterday afternoon. As a result of this match De Witt Clinton cannot lose the series, but Boys High may get the lead in the final contest on Friday of next week. The summary:

AMERICA'S POLO MEN IN FIRST PRACTICE GAME

Whites, Under Monte Waterbury, Beat Millburn's Reds, 8 to 5 Score.

LAKEWOOD, N. J., April 9.—America's polo cup defenders got under way today in the first of a series of practice games on the Georgian Court grounds. The decision to take part in position play was made at the last minute when sides were changed. The Whites, captained by Monte Waterbury, beat the Reds, captained by Harry Payne Whitney, the mainstay of polo for many years, acted as referee, and while galloping around the field took occasion to coach the players. There were forty-two ponies in the stable of Mr. Whitney and thirty-seven of these were used, care being taken not to overwork the mounts so early in the year. The field was a trifle soft and cummy, but this was considered rather an advantage than otherwise, as it prevented the speed being too great. On several occasions the play was fast enough for international work. An example of this occurring in the sixth period, when Malcolm Stevenson rushed the ball through the posts in 50 seconds.

Our March sales were actually 42 per cent ahead of sales in the corresponding period of a year ago.

The Benz Automobile Sales Corporation, agents for Benz cars and Gagenau trucks, will move May 1 to new quarters at 1700 Broadway.

Folks along Automobile Row around noon yesterday saw a procession of Garford motor trucks marked in large yellow letters "Uvide" going down Broadway in single file. This large order of trucks for the automobile trade, sold to the Uvide company by the R. & L. Company, which represents Garford trucks as well as Willys-Overland trucks and the Willys-Knight passenger cars, all of them properties belonging to John N. Willys.

Dog Men Meet in New Haven.

An invitation to all dog lovers and dog fanciers is given for a general meeting of the New Haven Kennel Club, which will be held in Room 204, Chamber of Commerce, New Haven, at 8 o'clock to-night. The first purpose of the meeting is to approve and adopt the by-laws of the club. All who are interested are asked to become members. A general discussion will take place with the view of electing a committee to arrange for holding a bench show in New Haven in June.

A. C. A. WILL ACCEPT WOMEN AS MEMBERS

Club Will Vote Next Week to Amend Constitution to That End.

NEW GARAGE ON EAST SIDE

Organization Forced to Have Room for 350 More Cars

Other Motor Notes.

The Automobile Club of America probably will have women members soon, because a meeting is to be held at the club on Tuesday next at which an amendment to the constitution providing for women to have the privileges of the organization will be voted on. This has been under consideration for some time by the board of governors, and is considered sure to go through. It will have the exact location of the club vastly more popular and useful. At present women may be enrolled as members of the bureau of tours on the payment of the fee which is required, but they have no other rights than those of getting touring information and the like.

Another thing that is coming up for the attention of the club members is the matter of additional garage room. The garage in the present quarters, on Fifty-fourth street, west of Broadway, accommodates about 700 cars. The highest number actually taken care of at one time is 676 machines, but there are more than that number for which accommodation is needed. Therefore the club has to look for additional garage room, and as the present building is convenient to location on the West Side it has been determined to get a place on the East Side. Negotiations are being conducted by Pease & Elliman for a large plot on East Seventy-second street, just the exact location and description will not be obtainable for a few days yet. This garage is to be big enough to accommodate 350 cars.

There has been some talk of a combined club and garage on the East Side, but that is not the present plan. There was a time when it was proposed to lease a building on Fifth avenue to establish a social club, but that appears to have given up. The club had negotiations on with the Fifth Avenue Coach Company for its garage in Eighty-ninth street, but it was not large enough for the A. C. A. purposes.

Changes in the membership of the Automobile Dealers Association were made at its recent meeting. The Marmon Company of New York was elected to membership, to be represented by Frank G. Carrie. Samuel N. Toback was appointed to represent the A. Elliott Ranney Company in place of Arthur M. Day. George H. Smith was designated to represent the Peerless in place of Jack Clark. The Studebaker Company's membership was changed to the Phelps Motor Car Company, to be represented by George H. Phelps. George H. Stowe represents the Chalmers Motor Company of New York, formerly Carl H. Page & Co.

"1914 is the biggest year in the history of the Lozier Motor Company," says President J. M. Gilbert. "Up to April 1 we had produced and sold more cars than in the first six months of last year. In February we established the highest record for sales since we began the manufacture of automobiles. March sales exceeded February by a wide margin and our April sales will undoubtedly wipe out all previous records in volume. Our March sales were actually 42 per cent ahead of sales in the corresponding period of a year ago."
